M. C. S. Examination Committee

No. 26/38 dated 4.4.1938

Forwards draft notification regarding the M. C. S. Examination to be held in November and December 1938.

1) (i) The Committee suggest that in place of Paper (iii) "Current Topics" in Part I, a General English Paper on the lines of that set for the I.C.S. Examination at Delhi may be substituted.

2) According to the Scheme of the M. C. S. Exam^n as revised in 1936, the first part of the Exam^n. will be as follows.

	Max. marks
(i) Essay	150.
(ii) General Knowledge	150.
(iii) English – Current Topics (Prescribed books)	150.
(iv) English Literature	150.
(v) Interview.	150.
	750.

3) The Committee has given two main reasons for the substitution of a General English Paper in place of No (iii) "Current Topics".

First, the paper of the type set for General English in the I.C.S. Examination at Delhi is a better type of test.

NOTE—Contn. Sheet.

WD 0281–GPB—30,000—13-8-37

Secondly, it has always been found extremely difficult to set suitable texts for the "Ld. Current Topics" paper.

4) The above suggestion had come up for consideration in a slightly different form when the scheme of the M.C.S. Exam^n was revised in 1936. It was however, not specifically considered and accepted then. "D"

In view of the reasons now set forth, it is for orders whether the present suggestion may be adopted. Point (1)

5) The Committee propose that under "B. Arts" (IX), there may be two papers under "General Economics" each carrying 100 marks in place of one paper as at present and that a third paper in Psychology should be inserted, viz., "Psychology, Practical and Viva voce", carrying a total of 100 marks. It is stated that it is necessary to have these two additional papers in order that all students who take Hons. Degrees in the University of Mysore may be placed on an approximately equal footing in the Civil Service Examination. Point (2)

6) In connection with the last M.C.S. Examination, the general age limit of Candidates was raised to 28 in the case of

these already in service. The Committee feel that this concession is no longer necessary in view of the fact that an examination was held only two years ago. They propose that the age limit for all candidates shall be the same, viz., under 25 on 1st January 1938.

Submitted for orders.

1) The Committee have made the above recommendations in view of their Experience of the past of these Examinations. The idea of prescribing current texts for Exams in the past was perhaps with a view to judge the Capacity of a candidate to assimilate fresh matter in a limited time. From this point of view, it has something to commend it. From my Experience of the texts that are now prescribed, I feel, that there is some justification for the apprehensions of the Committee that right kind of text books may either be unknown or easily available. On the whole I am inclined to agree with the views of the

9) 3) I have nothing to say against the age limit being 25.

Bangalore

Sir,

With reference to para 2 of Government Order No. 2330-38/C.B. 121-37-17 dated 3rd March 1938; I have the honor to enclose herewith a draft notification approved by the Committee for the management of the Mysore Civil Service Examination held at its meeting on 23rd March 1938.

2. In place of Paper (iii) "Current Topics" in Part I of the Examination, the Committee are of opinion that it would be better to have a General English Paper on the lines of that set for the India Civil Service Examination at Delhi. Government will remember that when the Mysore Civil Service Examination scheme was being overhauled preparatory to the 1936 Examination, it was suggested that a General English Paper should be substituted for Paper (iv) "English Literature" (prescribed texts) in Part I of our Examination. Government did not however accept this proposal. It will be noticed that the Committee now proposed the substitution of this General English Pap for No. (iii) of our Part I and not for No. (iv) as was formerly suggested. This year's proposal has two main reasons behind it.

I CB 112-35(1)

(1) The Committee are convinced that a paper of the type set for General English in the I.C.S. Examination at Delhi is a better type of test.

(2) Most of the members of the present Committee were on the 1936 Committee also, and some of them have had experience of these examinations prior to their cessatipn in 1928. It has always been found extremely difficult to set 2 suitable texts for the "Old Current Topics" paper. Book-sellers in South India generally (this includes even Higginbothams in Madras) do not carry large stock of new books, and most committees are at their wits' end to find suitable texts. Even if members can suggest titles of books of which they have read what appear to be satisfactory reviews; such books have to be obtained from England and scrutinished before they can be prescribed, and in many cases books which appear suitable in reviews are found to be undesirable when read. The Committee venture to think that there can have been few years in the past history of the Mysore Civil Service Examination, when the books prescribed under "Current Topics" were felt by all the members of the Committee to be entirely satisfactory and the best available. The Committee hope that their present proposal will commend itself to Government

3. At the meeting, the Committee considered a letter received from Mr.V.L.D'Souza, Professor of Economics in the Maharaja's College about the unequal distribution of subjects in the Arts portion of the II part of the Examination. The Chairman also pointed out that the same applied to Psychology. In the draft Notification the Committee are, therefore, proposing under "B. Arts" (ix) that there shall be two papers under "General Economics" each carrying 100 marks, and that a third paper in Psychology should be inserted, viz., "Psychology Practical; and Viva Voce", carrying a total of 100 marks. The Committee consider that it is necessary to have these two additional papers - one in Economics and one in Psychology - in order that all students who take Hons. Degrees in the University of Mysore may be placed on an approximately equal footing in the Civil Service Examinatio

4. When the examination was revived in 1936, the age limit was fixed at 25 but this was extended to 28 in the case of any candidates who were already in Government Service. The Committee feel that this concession is no longer necessary in view of the fact that an examination was held only 2 years ago and that further examinations will presumably be held at intervals in the future. They, therefore, proposed that the age limit for all candidates shall be the same, viz:, under 25 on 1st January 1938.

5. Certain minor verbal alterations have been made in the draft notification but they do not call for any remarks.

6. A list of text books proposed will follow
